

I Am Who I Am

[Lee Ryan](#)

You know I don't mind if you think I should grow my hair
You know I don't mind if you pick on the clothes that I wear
But know I can keep my head when all around me are losing theirs, because[CHORUS:]

I am who I am

And you can't change me

I've done what I can

I'll stand my ground

You're tying my hands

If you rearrange me

It all falls down

It all falls down Why when you dream do you see me as something I'm not

Why don't you wake up and see all the good things you've got

A heart isn't made out of clay

Not something you shape with your hands, understand[CHORUS] Is the reason you ask me to change so that
you stay the same

Well I'm sorry if I keep disappointing you again and again, but[CHORUS] I am who I am
