Another night

Nightcore

Another night, another dream, but always you
It's like a vision of love, it seems to be true
Another night, another dream, but always you
In the night I dream of love so trueJust another night (just another night)Another night, another dream, but always you
It's like a vision of love, it seems to be true
Another night, another dream, but always you
In the night I dream of love so trueIn the night, in my dreams, I'm in love with you
'Cause you talk to me like lovers do
I feel joy, I feel pain, 'cause it's still the same
When the night is gone, I will be aloneTalk, talk, I'll talk to you
In the night, in your dreams
Our love so true
Talk, talk, I'll talk to you
In the night, in your dreams
Our love so trueAnother night, another dream, but always you
It's like a vision of love, it seems to be true
Another night, another dream, but always you
In the night I dream of love so trueAnother night, another dream, but always you
It's like a vision of love, it seems to be true
Another night, another dream, but always you
In the night I dream of love so trueIn the night, in my dreams, I'm in love with you
'Cause you talk to me like lovers do
I feel joy, I feel pain, 'cause it's still the same
When the night is gone, I will be aloneJust another night, it's all that it takes
To understand the difference between lovers and fakes
So be there, be there
