

# Them There Eyes

[Diana Ross](#)

'Cause I fell in love with you  
The first time I looked into  
Them there eyes  
'Cause you have a certain  
Little cute way of flirtin' with  
Them there eyes They make me feel so happy  
They make me feel so blue  
I'm fallin', no stallin'  
In a great big way for you My heart is jumpin'  
You started somethin' with  
Them there eyes  
You better look out  
Little brown eyes  
If you're wise They sparkle, they bubble  
Gonna get you in a whole lotta trouble  
Ooh baby, them there eyes I fell in love with you  
The first time I looked into  
Them there eyes  
'Cause you have a certain  
Little cute way of flirtin' with  
Them there eyes They make me feel so happy  
They make me feel so blue  
I'm fallin', no stallin'  
In a great big way for you My heart is jumpin'  
You started somethin' with  
Them there eyes  
You better look out  
Little brown eyes  
If you're wise Sparkle, bubble  
Gonna get you in a whole lotta trouble  
Ooh baby, them there eyes
