My Time Has Come

Caliban

I fought my way through the darkest days
Out into the light, I was scared and I cried
But I believed in something more
You are guilty forThis darkness, you gave me everyday
Every time you pushed me away
The coldness, you had shown me everyday
You'll never hurt me againNo mercy for the merciless
No forgiveness
No mercy for the merciless
No forgiveness, goI was not willing to believe that's all
All the pain, all the tears, all the lies
There was a great spark in the dark
A shining markThis darkness, you gave me everyday
Every time you pushed me away
The coldness, you had shown me everyday
You'll never hurt me againYour time is gone
My time has come
Your life is doneThis darkness, you gave me everyday
Every time you pushed me away
The coldness, you had shown me everyday
You'll never hurt me againNo mercy for the merciless
No forgiveness
No mercy for the merciless
No forgiveness
