

Nasty

Mis-Teeq

I'm gonna tell you a little story about this girl we used to know.
She's was a friend and so, I've only got one thing to say
She's so nasty.Goes a little something like this
Hit itLooked into my eyes as she passed me by.
A smirk on her face as she turned and said hi.
Standing over there, haven't got a clue about style or flair.
Watching my hair, don't go there.
Every time you see me you stop and stare.Body language was weak so I turned the cheek.
Hold me back, I'm about to speak
I'm about ready gonna call ma peeps.
Listen up its da one Misteeq[Chorus]
She's a nasty girl
Messing my world
A nasty girl
And I said get up on the mic as we rock this beat.
She's a nasty girl
Messing my world
A nasty girlOur style is unique
Can you take the heat?She's a fake
Back in the day back when,
I had nothing , you were my best friend
Self seeking scheming
Change when you see a little money roll inPretentious, devious
I should have never ever, ever, ever put my trust
Calculating and devious
Or should I say another one bites the dust.Hold me back, I'm about to speak
I'm about ready gonna call ma peeps.
Listen up its da one Misteeq[Chorus]
She was so nasty
She was really really really nasty
I'm gonna bring her down
She gonna bring her own self downGonna take her to the cleaners
Gonna wash your mouth outHow could you be?
(Shame on you)
So nasty?
(Shame on you girlfriend)
Spreading all your shit around
You just nastyShe's a nasty girl
Messing my world

A nasty girl
And I said get up on the mic as we rock this beat.
She's a nasty girl
Messing my world
Hear what I say
A nasty girl And I said one, two, three, four
This just ain't the way it goes
Mama never taught you so
This just ain't the way you see
Change will come eventually
This just ain't the way it goes
Mama never taught you so
This just ain't the way you see
Change will come eventually She's a nasty girl, come again
Messing my world, say what
A nasty girl
Sing it again and sing out loud
She's a nasty girl (nasty girl)
Messing my world (messing my world)
A nasty girl
Our style is unique
Can you take the heat?
You nasty girl you nasty
You nasty girl
You nasty girl you nasty
