

# Lord Have Mercy

Beanie Sigel

Please have mercy on me, have mercy on me  
(On me)  
Please have mercy on me, please have mercy on me  
(On me, mercy, have mercy on me)  
I'm tryin' to climb my stairways to Heaven like Led Zeppelin  
Find that polished treasure like Eddie Laverde  
I do my dirt so my kids see Heaven on earth  
But the pain on my heart, it weighs heavy, it hurt  
Hope you see my good intentions for whatever it's worth  
No self convictions when I mention my intentions in verse  
Like a preacher or a deacon when he speakin' in church  
Know it's a lesson that I'm teachin' if you seekin' my verse  
Like the shocker, the hour be a grievous thing  
Like the droppin' of them Towers, man, it's plain to see  
That them cowards can't sing a song that'll lead us in  
They'd rather march and hold hands like MLK  
The nigga in me like Malcolm Little said, "All means necessary"  
So by all means, I'm armed and my weapon's ready  
I got my lessons ready  
Hopin' I learned 'em before I'm laid to rest and buried  
Have mercy on me  
(Lord, have mercy)  
Please have mercy on me  
(Have mercy on me, have mercy on me)  
Please have mercy on me  
(Have mercy on me)  
Please have mercy on me  
(Have mercy on me)  
Pressure bust pipes, pressure can also make a diamond  
Pressure can bust a man wrestlin' with his conscience  
His self accusin' spirit of his past  
(But our Lord knows mercy is greater than his wrath)  
So in that, I not only pray for me, I pray for he  
My dead brother Robert  
Help him with his problems and the bumps and grinds  
And the evil things and thoughts that run through his mind  
Take a hand on my sister, J Blige  
As I listen to her life go down, watchin' her life spin round  
On them records, every track she sing in prayer

Give her no more drama, let her rainy days be clear  
(No more trouble)  
Receivin' signs from Osama that the days is near  
When babies is baby mommas, man, them days is here  
It means that them days is now  
I pray that the Lord have mercy when my day come 'round  
(I plead your mercy, Lord)  
Please have mercy on me  
(Have mercy on me, have mercy on me)  
Please have mercy on me  
(Have mercy on me, have mercy on me)  
We need your mercy, I need your mercy  
(Lord, I need, have mercy on me)  
(Have mercy on me)  
For my soul, for my soul  
(For my soul, on my soul)  
B I G P O P P A P A C left eye J M J  
Please have mercy on me  
B I G L P U N easy E Aaliyah R.I.P  
Please have mercy on me  
Please have mercy on me
