

As If By Magic

[La Roux](#)

Emerging from my world
Imagine living in a box
And I won't come up
Until I've broken all the locks
Slurring all my words
Until something sticks
But in this smoky universe
My mind keeps playing tricks And although, you're the only home I know
As if by magic, thoughts of you are gone
And now, I'm keeping my head in the clouds
And it's not so tragic, if I don't look down
oo-oo-oo-oo-oo-ooooo [x2] Submerging from your world
And back into my bliss
A day rolled into one
Is burning on my lips
Blurring all your words
Until they don't exist
And in a parallel universe
It's me you can't resist And although, you're the only home I'll ever know
As if by magic, thoughts of you are gone
And now, I'm keeping my head in the clouds
And it's not so tragic, if I don't look down
oo-oo-oo-oo-oo-ooooo [x2]
