

Beyond The Realms of Death

Blind Guardian

He had enough
He couldn't take anymore
He'd found a place
In his mind and slammed the door No matter how they tried
They couldn't understand
They washed and dressed him
Fed him by hand Yeah, I've left the world behind
I'm safe here in my mind
I'm free to speak with my own kind
This is my life, this is my life
I'll decide not you Withdrawn he'd sit there
Stare blank into space
No sign of life
Would flicker on his face Until one day he smiled
It seemed as though with pride
The wind kissed him goodbye
And then he died Yeah, I've left the world behind
I'm safe here in my mind
I'm free to speak with my own kind
This is my life, this is my life
I'll decide not you Keep the world with all its sin
It's not fit for livin' in
Yeah, I will start again
It can take forever, forever and ever, and ever
But I'll still win How many like him, are there still
But to us all seem to have lost the will
They lie in thousands, plagued and lost
Is nothing worth this bitter cost Yeah, I've left the world behind
I'm safe here in my mind
I'm free to speak with my own kind
This is my life, this is my life
I'll decide not you Keep the world with all its sin
It's not fit for livin' in Beyond the realms of death
