Cheap Sunglasses (ft. Matthew Koma)

RAC

You're packing magic in ah
You're making habits in ah
You're automatic, you are
The way you are
You cleared a sparkle in ah
You glow in the dark in ah
Make everybody go ah
The way you areBlue skies, white highs
Won't blind me, everything you hide
Your shades can't shade in the sunlight, in the sunlightYour limousines get stuck in traffic
And we all know you're made of plastic
You may seem like something classic
Your cheap sunglasses
Your cheap sunglasses
And they'll see right through you
And they'll see right through youYou're so dramatic and ah
I want it badder than ah
You're super radical ah
The way you are
You're double vision and ah
A new religion and ah
What hers and his and then ah
The way you areBlue skies, white highs
Won't blind me, everything you hide
Your shades can't shade in the sunlight, in the sunlightYour limousines get stuck in traffic
And we all know you're made of plastic
You may seem like something classic
Your cheap sunglasses
Your cheap sunglasses
And they'll see right through you
And they'll see right through youYour limousines get stuck in traffic
And we all know you're made of plastic
You may seem like something classic
Your cheap sunglasses
Your cheap sunglasses
And they'll see right through you
And they'll see right through you
And they'll see right through you
And they'll see right through you

And they'll see right through you
