Nothing Like You and I

The Perishers

We spent some time
Together walking
Spent some time just talking
About who we wereYou held my hand so
Very tightly
And told me what we
Could be dreaming ofThere's nothing like you and I
Nothing like you and I
There's nothing like you and IWe spent some time
Together drinking
Spent some time just thinking
About days of joyAs our hearts started
Beating faster
i recalled your laughter
from long agoThere's nothing like you and I
Nothing like you and I
There's nothing like you and IWe spent some time
Together crying
Spent some time just trying
To let each other goI held your hand so
Very tightly
And told you what I
Would be dreaming ofThere's nothing like you and I
Nothing like you and I
There's nothing like you and I
So why do I even try?
There's nothing like you and IThere's nothing like you and I
There's nothing like you and I
Nothing like you and IThere's nothing like you and I
Nothing like you and I
There's nothing like you and INothing like you and I
There's nothing like you and I
Nothing like you and I
There's nothing like you and I
if you say so wtf
