Loveland

Tower Of Power

I have heard all about Loveland and all of it's little charms
But I know I'll never get to Loveland unless I'm wrapped up in your arms
You've got to take me with you, please take me with you, yesHow I'd love to walk down that golden street
Hand in hand with you where all the lovers meet
I'd love to go to Loveland with you, pretty baby
'Cause my love is true, I swear I doI have heard all about Loveland and all of it's youthful hearts
Where loneliness just can't enter and happiness is the answer
Baby, take me with you, yes got to take me with you, please girlI'd love to walk down that golden street
Hand in hand with you where all the lovers meet
I'd love to go to Loveland with youI'd like to walk with you down that golden street
Hand in hand with you where all the lovers meet
How I'd love to go to Loveland, Loveland with youI do, swear I do, my love is true, take me with you, baby
Got to, got to, got to, got to, got to, got to, got to, come on
My love is true, take me with you babyI swear I do baby, take me to Loveland
Take me to Loveland baby
Come on, got to take me with you
Take me to Loveland
