

Farewell My Friend

Lunic

Farewell my friend
My beautiful friend farewell You take the high road
And I'll take the low road
And we'll meet again
Farewell my friend I love you
In a funny way You take the high road
I'll take the low road
And we will meet again
Farewell my friend Oh, I wanna see you again
Oh, farewell, farewell
Oh, I wanna see you again
Farewell Oh, I'm on the mountain again, oh, farewell
Oh, I wanna see you again on the mountain
Oh, that's when I'll see you again, yea, farewell
Oh, I want to see you again
