Second Fighter

Red.Was.Here

Fated
Don't you know that life
means nothing to you
and nothing to me
i go away and i see your face
and your hands on the wall
and your hands in the ground
what do you see when you look at me
what do you want when you're looking
not looking for something
something for nothing baby
GoGotta give up
Gotta give up
Wanting me, i just can't turn away now
why don't you just stop crying
Gonna mess with my mind
Gonna mess with my head yeah
Now you're messing me one last time now
why dont you just stop cryingwhat do you see when you look at me
why don't you want when you're looking
not looking for something
something for nothing baby
Go
what do you see when you look at me
why do you want when you're looking
not looking for something
something for nothing baby
GoGotta give up
Gotta give up
Wanting me, i just can't turn away now
why don't you just stop crying
Gonna mess with my mind
Gonna mess with my head now
Now you're messing me one last time now
why dont you just stop crying
