Alive But Dead

Rage

As I walk the streets I feel no pain
There is no love or hate, can't see no certain state I'm in
And a fog has laid itself on my heart
Like this misty morning as this cloudy day beginsStill I wonder should I be afraid
About what's happening and how long has it been, don't know
Why did come this shadow in my head
Like I have lost my soul, like I'm alive but deadAs I walk the streets I feel no fear
Although I notice that there is no feeling anymore
And I try to send my mind back to the times
When I was able to live something to the coreDark, dark as the grave, my heart is dead
I'm just a slave to what they've said
Still I'm alive but I feel deadDark, dark as the grave, my heart is dead
I'm just a slave to when you call
Still I'm alive but I must be deadAlive but dead, alive but deadDarkness, there's darkness everywhere
You gotta help me out of here
I don't want to stay alive
Without the capability to feelDark, dark as the grave, my heart is dead
I'm just a slave to this decay
Still I'm alive but I feel dead, alive but dead
Alive but dead, can't fill my head, alive but deadDark, dark as the grave, my heart is dead
I'm just a slave to my disease
Still I'm alive but I must be dead
Alive but dead, alive but dead
Can't fill my head, alive but dead
