

# Off To The Library

**Justine Clarke**

Off to the Library  
1, 2, 3  
Off to the Library  
You and Me  
And when we get there  
What do we see?  
Books, Books, Books, Books, Books  
Everywhere you lookBooks on the floor  
And Books on the Wall  
Books by the door  
And Books in the Hall  
Books for the girls  
And Books for the boys  
Just one Rule  
You can't make a noise  
Shhhhhh!Off to the Library  
2, 3, 4  
Off to the Library  
To take out some more  
We'll take back the ones  
We took out before  
Books, Books, Books, Books  
Books, Books, Books, Books  
Books, Books, Books, Books, Books  
What's your favourite book? (spoken)
