

# Don't Take It Personal (Just One Of Dem Days)

Monica

It's just one of them days, when I wanna be all alone  
It's just one of them days, when I gotta be all alone  
It's just one of them days, don't take it personal  
I just wanna be all alone, and you think I treat you wrong I wanna take some time out to think things through  
I know it always feels like I'm doing you wrong  
but I'm so in love with you  
So understand that I'm only in love your the only one I need  
So have no thought that I want to leave and baby trust me please Just one of them days  
That a girl goes through  
When I'm angry inside  
Don't want to take it out on you  
Just one of them days  
Don't take it personal  
I just wanna be all alone  
And you think I treat you wrong Don't take it personal  
Baby baby baby baby, don't take it personal I see and I think about every thing we do  
And I find myself in misery and that ain't cool  
Hey now, I really want to be with you the whole way through  
But the way you make me feel inside keeps me confused  
As I swing back from mood to mood it's not because of you  
I never want you to be insecure,  
so won't you understand that I'm only in love, your the only one I need  
I'll be there for you when you need me boy, so baby don't you leave Just one of them days  
That a girl goes through  
When I'm angry inside  
Don't want to take it out on you  
Just one of them days  
Don't take it personal  
I just wanna be all alone  
And you think I treat you wrong Just one of them days  
That a girl goes through  
When I'm angry inside  
Don't want to take it out on you  
Just one of them days  
Don't take it personal  
I just wanna be all alone  
And you think I treat you wrong Don't take it personal  
Baby baby baby baby, don't take it personal  
Don't take it personal, yeah , don't take it personal Just one of them days

That a girl goes through  
When I'm angry inside  
Don't want to take it out on you  
Just one of them days  
Don't take it personal  
I just wanna be all alone  
And you think I treat you wrong  
Don't take it personal baby  
Personal baby, personal baby, personal baby  
personal baby, personal baby
