Catch The Moon

Davy Knowles

Can you catch the moon
And hold it in your hands?
'Cause I can catch the moon
And I do my moon dance
I press my hands together
And slowly spin around
Tell my moon bird sister
To pick me up and we'll go flying
Can you see what shines
When it's dark outside?
'Cause I can see the moonshine
When I look in your eyes
When I catch the moon
I'll throw it to you
And you'd be happy too
I'll do that for you
We can dance together
And slowly spin around
'Cause you're my moon bird sister

I can see you, you are laughing
You can catch me
You'll be happy
I can see you
You are laughing
You can catch me
You'll be happy
I can see you
You are laughing
You can catch me
You'll be happy
I can see you
I'm so happy
You can catch me
I'm so happy
I can see you
You are laughing
