

# It Don't Matter

[Donavon Frankenreiter](#)

Everyday people like, you and me  
Just want to live naturally  
Time told you, and you told me  
Nothing gonna get us down  
Can't you see I said  
If it don't matter to you  
It don't matter to me  
If it don't matter to you  
It don't matter to me  
People all around  
Making sounds and all kinds of noise  
If I could only get there  
Then I could enjoy  
Who they trying to be  
Who they trying fool  
Let's set the mood right now  
Turn down the lights, it's time to cool it down If it don't matter to you  
It don't matter to me  
If it don't matter to you  
It don't matter to me Yesterday and what we could be  
It don't matter  
Getting more of what we don't need  
It don't matter  
Everything, unless I'm with you  
It doesn't matter to me, no  
Bring it on down, bring it on down to me  
Sing it on down, sing it on down for me  
Sing it on down, sing it on down to me If it don't matter to you  
It don't matter to me  
No, no, no, no  
If it don't matter to you  
It don't matter to me  
Mmmm hmmm I said  
If it don't matter to you  
It don't matter to me  
No, no, no, no  
If it don't matter to you  
It don't matter to me Sometimes it don't matter to me  
Don't matter to me
