Falling Down

Nick Carter

It's so cold in this room
And I'm trapped inside your heart
All by myself, yeahAll alone in your sea
And I'm sinking like a ship
I'm going down, going downI don't wanna live my life without you
The hardest thing I ever do
Is trying to pick myself up off the groundTrying to outrun all the memories
But I keep falling down

I keep falling downAnd it's like you still got a hold on me 'Cause I keep falling down

I keep falling downI can't sleep, I can't dream 'Cause your scent's still here

On the pillows in my bed, in my bedAnd this pain's so insane I'm still haunted by the stupid things I've said All the things I saidI don't wanna live my life without you

The hardest thing I ever do

Is trying to pick myself up off the groundTrying to outrun all the memories

But I keep falling down

I keep falling downAnd it's like you still got a hold on me 'Cause I keep falling down I keep falling downAnd how do I let go

I know I should move on

But without you I don't know where I belongAnd everywhere I go Every happy face I see

It reminds me of the way it used to be Trying to outrun all the memories

But I keep falling down

I keep falling downAnd it's like you still got a hold on me
'Cause I keep falling down
I keep falling downI keep falling down

I keep falling down I keep falling down I keep falling down
