oh oh oh ohhoho oh oh oh, ohhoho oh oh oh ooohoooohooo
oh oh oh ohhoho oh oh oh, ohhoho oh oh oh ooohoooohooo
Fly fast take it up, i go under water go down, go down,
go down, down down, go go go go,
Seabelt taken off, car crashing till i black out, black out, black out,
black out, go go go go,
Do it da d devil, i obsessed till i get you i'm in cardiac arest,
Pedal to the fucking metal.
i'm never slowing down, slowing down.
Yes I confess I been lovin u half to death See Imma get you, take you, make you make you mine Even even if it kills me (if it kills me) My hearts jumpin out my chest An I'mma want til my dying breath See Imma get you, take you, make you make you mine Even even if it kills me (if it kills me)
oh oh oh ohhoho oh oh oh, ohhoho oh oh oh ooohoooohooo
(if it kills me)
oh oh oh ohhoho oh oh oh, ohhoho oh oh oh ooohoooohooo
(if it kills me)
Parachute clothes drop, drop right into your love, your love,y our love

a blindfold on the floor, uncensored i'm hardcore, hardcore,
Do it da d devil, i obsessed till i get you i'm in cardiac arest,
Pedal to the fucking metal.
i'm never slowing down, slowing down.
Yes I confess I been lovin u half to death See Imma get you, take you, make you make you mine Even even if it kills me (if it kills me) My hearts jumpin out my chest An I'mma want til my dying breath See Imma get you, take you, make you make you mine Even even if it kills me (if it kills me)
i'm not drugs so i walk the line if you do the cry, baby i'll do the tie,
i'm a death one, i risk my life, i'm self destruct but i put myself up, baby i..
Yes I confess I been lovin u half to death See Imma get you, take you, make you make you mine Even even if it kills me (if it kills me) My hearts jumpin out my chest An I'mma want til my dying breath See Imma get you, take you, make you make you mine Even even if it kills me (if it kills me)
oh oh oh ohhoho oh oh oh, ohhoho oh oh oh ooohoooohooo
(if it kills me)
oh oh oh ohhoho oh oh oh, ohhoho oh oh oh ooohoooohooo
(if it kills me)
oh oh oh ohhoho oh oh oh, ohhoho oh oh oh ooohoooohooo
(if it kills me)
oh oh oh ohhoho oh oh oh, ohhoho oh oh oh ooohoooohooo
(if it kills me)
