Depeche Mode

Get that feelin', head is reelin'
You think you're in control but you don't know me, babe
I can move you, I can soothe you
I can take you places in a different way
And I don't think you understand
What I'm tryin' to say
I'll be your operator baby
I'm in control
Watch your actions, close reaction
And everythin' you're thinkin' babe inside your head
Conversation, my creation
Nothin' that you do you do unless I said
And you don't know the consequences
Of the things you say
I'll be your operator baby

I'm in control
And all the things you tried to do babe
And all the words we said before
Are only part of what I started baby
And you can't stop me anymore
Get that feelin', head is reelin'
You think you're in control but you don't know me babe
I can move you, I can soothe you
I can take you places in a different way
And I don't think you understand
What I'm tryin' to say
I'll be your operator baby
I'm in control
