Downright Dominate (feat. Alexi Laiho)

Annihilator

A reign, invincible
Sitting right at the top
A domination
Something you just can't stopFace the opponent
Take 'em down one by one
Take no prisoners
Game over before it's wonDownright dominate
Downright dominate
Must annihilate
Downright dominateFeel the rush
The adrenaline kicking in
Resolution
A fight to the death, beginBreathing power
Gotta unleash the beast
It's time to devour
And you are the feastDownright dominate
Downright dominate
Must annihilate
Downright dominate, yeah, yeahDownright dominate
Downright dominate, no mercy
Must annihilate, annihilate
Downright dominate, domi-dominateForcing the action, bring on the attack
Everything now in position
Showing no mercy, treasure the moment
Beating you into submissionResistance is futile, dealing the pain
Over and over again
Fall to your knees, you can beg if you please
Now you are facing the endBeat and conquered
Oh, never the end in doubt
Defending the crown
The king has cast you outDownright dominate
Downright dominate
Must annihilate, oh yeah
Downright dominateDownright dominate
Downright dominate, yeah, yeah
Must annihilate, no mercy
Downright dominate, dominate
