

Stumblin' Man

Tad

Stumblin' man touch you slow
Stumblin' man ain't got no on
Stumblin' man ain't got no smile
Honey hand weren't quiet, wow! Stumblin' man watch you slow
Stumblin' man ain't got no on
Mad dream bites on cully bus
Stumblin' man don't know where it was Slip tie blast on the slippy slutch
Cut this hair when rope in foot
Stumblin' man ain't got no style
Honey hand weren't quiet, wow! Stumblin' man watch you slow
Stumblin' man ain't got no on
Mad dream bites on cully bus
Stumblin' man don't know where it was
What the cooking mouth
And yo take the way you smile
What the cooking mouth
And yo take the way you smile
What the cooking mouth
And yo take the way you smile
