It's Alright with Me

The Zombies

If you wanna mess around just stay away from my door
I got a leak in my bucket and a great big hole in my floor
But if you wanna stay around and love me
You know it's all right with meI've got no money, can't afford no big black car
The bank account won't see me very far
But if you wanna stay around and love me
You know it's all right with meI'm sick and tired of being on my own
But you know I'll take nobody
Who's gonna leave me tired and aloneSo you see I can only offer a man that's poor
With frost in bed and trouble at my door
But if you wanna stay around and love me
You know it's all right with me
Ooh, ooh
