Where Do Broken Hearts Go

Me First and the Gimme Gimmes

I know it's been sometime
But there is something on my mind
You see I haven't been the same
Since that cold November day
We said we needed space
But all we found was an empty place
And the only things I've learned
Is that I need you desperately
So here I am, and can you please tell me....Where do broken hearts go
Can they find their way home
Back to the open arms of a love that's waiting there
And if somebody loves you
Won't they always love you
I look in your eyes
And I know that you still care for meI've been around enough to know
That dreams don't turn to gold
And that there is no easy way
No you just can't run away
And what we had was so much more
Than we ever had before
And no matter how I try
I can't get you of my mind
So here I am, and can you please tell meWhere do broken hearts go
Can they find their way home
Back to the open arms of a love that's waiting there
And if somebody loves you
Won't they always love you
I look in your eyes
And I know that you still care for meNow that I am here with you
I'll never let you go
I look into your eyes
And now I know
Now I knowWhere do broken hearts go
Can they find their way home
Back to the open arms of a love that's waiting there
And if somebody loves you
Won't they always love you
I look in your eyes
And I know that you still care for meFor me, yeah yeah, yeaaaaaah
