I'll Be There

The Parlotones

I'll, I'll, Still beauty, colourful,
These blossoms are up for bloom.
One promise is just like hearts,
its gets broken. But I'll try my hardest.
Even if you're rich,
Even if you're poor,
Every breath you breathe,
I'll be there for you.
Even if you're strong
Even if you're not
Every breath you breathe,
I'll be there for you.
Angelic, little princess,
I wanna wake up
To your face every morning
Another love song
A silly love song
But it's our song
And it's forever
Even if you're rich,
Even if you're poor,
Every breath you breathe,
I'll be there for you.
Even if you're strong
Even if you're not
Every breath you breathe,
I'll be there for you.
This song is forever
This song is forever
This song is forever
This song is forever
I'll, I'll, I'll be there for you.
Even if you're rich,
Even if you're poor,
Every breath you breathe,
I'll be there for you.
Even if you're strong
Even if you're not
Every breath you breathe,

I'll be there for you.
This song is forever
This song is forever
This song is forever
This song is forever
