

Eyes Wide Open

[Sabrina Carpenter](#)

La di da da da na
YeahEverybody loves to tell me I was born an old soul
Better keep my eyes wide open
There's so much that I don't know
Just another hotel room
Never felt so all alone
I think about my granddad's eyes,
And they always send me home
I can almost hear him now
Gotta make him proudI keep my eyes wide open
Bless this ground, unbroken
I'm about to make my way
Heaven help me keep my faith
And my eyes wide openLa
WhoaI can't see two steps ahead of me,
When the fog comes rollin' in
I never thought I'd miss the rain
Lord knows how long it's been
This dream burns inside of me,
And I can't just let it go
There's still so much that I don't knowI keep my eyes wide open
Bless this ground, unbroken
I'm about to make my way
Heaven help me keep my faith
And my eyes wide open, yeahAll I have is just this moment
And I don't want to miss a second
'Cause it could all be gone in an instant
Yeah, in an instantI keep my eyes wide open
Bless this ground, unbroken
I'm about to make my way
Heaven help me keep my faith
And my eyes wide openI'm about to make my way
Heaven help me keep my faith
My eyes wide openKeep my eyes wide open
