

I'll Never Be Jealous Again

Reta Shaw & Eddie Foy, Jr.

I'll never be jealous Mabel: Hinesy, Hinesy

Hines: I've learned my lesson Mabel, I'll never be jealous again.

Mabel: You stick to that now

Hines: Absolutely Mabel: Now that's easier said than done.

Hines: I can do it

Mabel: I knew it

but lets take an example, just for fun

Picture this, you sitting here waiting for her to come back from a date Hines: there I am, sitting and waiting for her to come back from a date

Mabel: Here she comes, her blouse is unbutton her stockings are not very straight

Hines: Here she comes, her blouse is unbuttoned her stockings are not very straight

Mabel: Later on, she gets a bouque with a card in it saying "Baby, you were great"

"Well, Hinesy, what would you do then?"

Hines: I would trust her, I would trust her, by George, I swear I would trust her

No I'll never be jealous again Mabel: Nice work, Hinesy

Hines: I knew I could do it Mabel

Mabel: Now lets take another example

Picture this, you've got nothing to do so you drop in to chat for awhile

Hines: There I am, I've got nothing to do so I drop in to chat for awhile

Mabel: Somethings up, the windows are open and Gladys is forcing a smile

Hines: Somethings up, the window is open and Gladys is forcing a smile

Mabel: There you see, a shirt and a tie and pair of pants in a nice neat little pile

"Well, Hinesy" Hines: I would trust her, I would trust her, by George I swear I would trust her

Oh I'll never be jealous, I'll never never never never...be jealous again

Mabel: That's it Hinesy you're practically cured! Hines: There'll be no more nightmares to sleep through

No more key holes to peep through

Mabel: No more bushes to creep through

Hines: That's my plan

Mabel: Well now that you're a new man

Picture this, you go to your sweeties apartment you borrow the key

Hines: There I am, I go to my sweeties apartment, I borrow the key

Mabel: There she is, she's giving a sailor a very affectionate squeeze

Hines: There she is, she's giving a sailor a very affectionate squeeze

Mabel: Then, to boot, she tells you she was in the arms of a cousin who was back from over seas

Hines: A COUSIN BACK FROM OVER SEAS? DO YOU EXPECT ME TO BEL-

Mabel: Hinesy... Hines: I would trust her, I would trust her, by George I swear, I would trust her

No I'll never be jealous...I'll never never never never never....never be jealous again
