Girlie, Girlie

Sophia George

Young man you too girlie girlieyou jus a flash it round the worldieYoung man you too girlie girlieyou jus a flash it round the worldie.Him have one up here
one down thereOne in Hannover
one down a vere.
One she's a lawyer
one she's a doctorOne wen dem work with a little contractor.
One down a east
one down a westHim have one up north and two down southOne a sell cigarettes on the roundabout - lord.Young man you too girlie girlieyou jus a flash it round the worldie
. . .Him have one go a school
one gawn fool foolHim have one everytime me say she thinks a she rulesOne she a nurse she say she come firstThe other night them going out dem pick her new purse.
One a sell star
one work in a barA she can smile when the two a dem a sparOne gettie gettie
one frettie frettieAnd him no drink no other milk but Betty.You too girlie girlieyou jus a flash it round the worldie
. . .
You too girlie girlieyou jus a flash it round the worldie
. . .
Young man you too girlie girlieyou jus a flash it round the worldie
. . .Him have one up here
one down there
. . .
One a go a school and one fool fool.You too girlie girlieyou jus a flash it round the worldie
. . .A big fat one who a go go dancerA little slim one who's a radio announcer.
One highty highty
one flighty flightyAnd before him grow old he want one a North Pole.One in a London
one in a Japanone in a Scotland
one in a FinlandOne in a Taiwan
one in a Iranone in a Greenland
one in a Iceland.
One in Canada
one Uganda
one America
one CubaOne Antigua
one Grenada
one a China
and one India.
One Bolivia

one Torguga
one a Ghana
one EthiopiaOne Russia
one Syberia
one a Syria
one Tanzania.
One Australia
one Aruba
one Asia
one Australia.Young man you too girlie girlieYou jus a flash it round the worldie.
