## Acapella

## **Kelis**

I was walking, was living
My melody was acapella
Theres a beat I was missing
No tune, or a scale, I could play

\_

The sound in the distance
No orchestra playing together
Like a boat out to sea,
The silence was too deafening!

\_

So come and revive me I cant feel my heartbeat Just me surviving alone

-

(Chorus)
Before you,
My whole life was acapella!
Now a symphonys
The only song to sing
Before you,
My whole life was acapella!
Now a symphonys
The only song to sing

\_

Everything was the same
One color was just like the others
An assembly routine
My memories were all black and white
Till I stopped over-thinking
Decided to draw back the curtains
And I cleared all the cobwebs
And began to let in the light

\_

So come and revive me I cant feel my heartbeat Just me surviving alone

-

(Chorus) Before you, My whole life was acapella!

Now a symphonys

The only song to sing

Before you,

My whole life was acapella!

Now a symphonys

The only song to sing

\_

(Bridge 3X)
You are the drum in my heart beat
Bass and guitar lead
Stuck on the notes you play
My heart that you play on

Red like a crayon I cant walk away

-

(Chorus 2X)
Before you,
My whole life was acapella!
Now a symphonys
The only song to sing
Before you,
My whole life was acapella!
Now a symphonys

The only song to sing
