

# It Could Happen To You

**Diana Krall**

Hide your heart from sight  
Lock your dreams at night  
It could happen to you Don't count stars  
Or you might stumble  
Someone drops a sigh  
And down you'll tumble Keep an eye on spring  
Run when church bells ring  
It could happen to you All I did was wonder  
How your arms would be  
And it happened to me Hide your heart from sight  
Lock your dreams at night  
It could happen to you Don't count stars  
Or you might stumble  
Someone drops a sigh  
And down you'll tumble Keep an eye on spring  
Run when church bells ring  
It could happen to you All I did was wonder  
How your arms could be  
And it happened, and it happened  
And it happened to me
