

Luchshaya noch

Maksim

Pyeryekrashoo kvartiroo v rozoviy tsvyet
V spal'nye boodyet noch', a na koohnye rassvyet
Ya vikinoo proch' vsye dvyerniye zamki
Vsye boodyet pyet' po vzmahoo rooki
No kogda v ladoni s nyebyes
Lozhitsya tonnami noch' - tantsooyet vyetyer
Ya k nyemoo na vstryechoo pyeshkom
Iz doma sonnogo proch' - myenya tam vstryetyat
Millioni sotyen domov i vyechyer
Obnimayet gorod yego za plyechi
Ya nye znayoo, kak rasskazat', chto eto loochshaya noch'
Ya nye znayoo, kak rasskazat', chto s nim loochshaya noch'
Ya nye znayoo gdye, pravda, nye znayoo, gdye lozh'
Ya poyoo pro nyebo, a s nyego dozhd'
Ya nye pomnyoo, skol'ko ya vidyela lits
V moyey knigye zhizni malo stranits
No kogda v ladoni s nyebyes
Lozhitsya tonnami noch' - tantsooyet vyetyer
Ya k nyemoo na vstryechoo pyeshkom
Iz doma sonnogo proch' - myenya tam vstryetyat
Millioni sotyen domov i vyechyer
Obnimayet gorod yego za plyechi
Ya nye znayoo, kak rasskazat', chto eto loochshaya noch'
Ya nye znayoo, kak rasskazat', chto s nim loochshaya noch' Lozhitsya tonnami noch' - tantsooyet vyetyer
