

# The Wind Beneath My Wings (Bette Middler)

## Sonata Arctica

It must have been cold there in my shadow  
To never have sunlight in your face  
And you can content to let me shine  
You always walked a step behind. I was the one with all the glory  
While you were the one with all the strength  
Only a face without a name  
I never once heard you complain. Did you ever know that you're my hero  
And everything I would like to be  
I can fly higher than an eagle  
Cause you are the wind beneath my wings. It might have appeared to go unnoticed  
but I've got it all here in my heart  
I want you to know, I know the truth, yes i do  
I would be nothing without you. Did you ever know that you're my hero  
And everything I would like to be  
I can fly higher than an eagle  
Cause you are the wind beneath my wings. Did you ever know that you're my hero  
And everything I would like to be  
I can fly higher than an eagle  
Cause you are the wind beneath my wings. Did you ever know that you're my hero  
And everything I would like to be  
I can fly higher than an eagle  
Cause you are the wind beneath my wings. Cause you are the wind beneath my wings.  
Cause you are the wind beneath my wings.  
Cause you are the wind beneath my wings.
