

Love Come to Life

Big Daddy Weave

I've been restless on the inside
Wondering about this heart of mine
I've been desperately trying to find
A way to prove that I'm still alive
Has the love I speak so loudly of quietly grown cold
Has my life been an empty voice?
What I say needs to be seen
I need to step out and make the choice
To let go of everything
Would You reignite this heart spark here in the dark?[Chorus]
Bring Your love to life inside of me
Why don't You break my heart 'til it moves my hands and feet
For the hopeless and the broken
For the ones that don't know that You love them
Bring Your love to life inside of me
A generation You're calling out
Living everything that we sing about
A revelation right here and now
Of love beyond a shadow of a doubt
Love that's greater than our own
Won't remain unknown, when You...[Chorus]
Love come to life
Bring love to life inside of me
[X4][Chorus]
Love come to life
Bring love to life inside of me
[X4]
