Jumping Bean

Tracy Bonham

This damn bean won't jump for you, anymore
Jumping bean won't jump for you, anymore
Keep on movingThis damn pea won't split for you, anymore
Damn shine won't spit for you, anymore
Keep on moving, keep on movingI can't be your jumping bean, anymore
I can't be your beauty queen, anymore
I won't jump for your team, anymoreThis damn bush won't burn for you, anymore
Beer can won't learn for you, anymore
Keep on movingThis damn horse won't buck for you, anymore
Damn lips won't suck for you, anymore
Keep on moving, keep on movingI can't be your burning bush, anymore
I can't be the one you touch, anymore
I won't be the perfect rush, anymoreI can't be your jumping bean, anymore
I won't be your beauty queen, anymore
I can't jump for your team, anymoreThis damn bean won't jump for you, anymore
Jumping bean won't jump for you, anymore
Keep on movingThis damn horse won't buck for you, anymore
Damn lips won't suck for you, anymore
Keep on moving, keep on movingI can't be your jumping bean, anymore
I won't be your crispy creme, anymore
I can't jump for your team, anymoreI won't wear that navy bean, anymore
I can't be your beauty queen, anymore
I won't be your hit machine, anymore
