Starting A New Life

Van Morrison

When I hear that robin sing Well, I know it's coming on spring Ooo, we and we're starting a new life I've been shoveling the snow away Working hard for my pay All I gotta say is we're starting a new life We're gonna move Way on down the line Girl, we been standing In one place for too long a time When I hear that robin song

> Well, I know it won't be long Frank, I know we belong And we're starting a new life We gonna move Move way on down the line Girl, we been standing In one place for too long a time When I hear that robin song Well, I know it won't be long Frank, I know we belong And we're starting a new life
