

This Is Not a Love Song

Nouvelle Vague

This is not a love song
Happy to have not to have not
Big business is very wise
I'm crossing over into enterprise This is not a love song
This is not a love song
This is not a love song
This is not a love song I'm adaptable, now I like my role
I'm getting better and better
I have a new goal, I'm changing my ways
Where money applies, this is not a love song This is not a love song
This is not a love song
This is not a love song
This is not a love song I'm going over to the over side
I'm happy to have, not to have not
Big business is very wise
I'm inside free enterprise This is not a love song
This is not a love song
This is not a love song
This is not a love song Not television behind the curtain
Out of the cupboard
You take the first train into the big world
Are you ready to grab the candle, not television? This is not a love song
This is not a love song
This is not a love song
This is not a love song
