Help Me Believe

Kirk Franklin

I just wanna write You a letter
Have to be very honest with You right now
I don't really know how to say thisI wanna believe but I'm having a hard time seeing past
What I see right now, I see you right now
I wanna be free but when I try to fly I realize
I don't know how, no one showed me howWish I could see that this mess I'm in
Will really work out for my good, You said it would
So if You can hear me, can You give me a sign
Cause I don't feel You like I should, please if You couldMy faith is almost gone
I can't hold on much longer
Take this cup from meHelp me believe, can I believe
Let me believe, I wanna believe
I'm no good on my own
Please give me another chanceIts hard to believe in what I can't see
To give You my will cause You're whats better for me
You can look in my eyes and see
I wanna believe, believe, believe, believeI wanna believe, if I never hear I'm sorry
I can let it go, gotta let You go
Cause its killing me, Jesus You know how it feels
Cause You've been hurt before, don't wanna hurt no moreI'm trying to hear You speak
But my heart is growing weaker
Take this cup from meHelp me believe, can I believe
Let me believe, I wanna believe
I've been here before
And can't take that hurt againIts hard to believe in what I can't see
To give You my will 'cause You're whats better for me
You can look in my eyes and see
I wanna believe, believe, believe, believe
Believe, believeI wanna believe, when I close my eyes on this side
I'll wake up with You, more in love with You
And, and finally You will say my race
It is over and my work is through cause I believed in YouI know dark nights will come
And some days there'll be no sunshine
And You're too far to seeHelp me believe, can I believe
Let me believe, I wanna believe
I'm no good on my own
Please give me another chanceIts hard to believe in what I can't see
To give You my will cause You're whats better for me
You can look in my eyes and see

I wanna believe, believe, believe, believeBelieve, believe, believe, believe
Believe, believe, believe, believe
Believe, believe, believe, believe
Believe, believe, believe, believeBelieve, believe, believe, believe
Believe, believe, believe, believe
Believe, believe, believe, believe
Believe
