# Detention Girl

## Dwarves

Yeah!
Detention Girl
I say yeah, yeah, detention girl
Well she can come and bring us back from life (?)
Want to be my psycho boyfriend? NO!
Detention girl
I say yeah, yeah, detention girl
Well she can lock me up, throw away the key
said it would be good for me oh no!
Detention girl
Oh Detention
Oh Detention
Detention girl!
It hurts, so, bad
I'm, so, glad (x4)
Yeah! Detention!
I say yeah, yeah, detention girl
She's goin down, down detention girl
I say yeah, yeah, Detention Girl!
