I Reject

Ryker's

done it once - done it twice
i set myself up believing the advice
convincing me that it's not as bad as it seems
but i can't come up with worse fakes... by no meansyou don't remember who
you don't remember where
useless excuses - it's obvious you were never there
punks like your kind are really pissing me off
after one year of your endurance
nothing productive remains... FUCK OFF!!!..... hypocritical scum...don't ask me to understand
i'm out of patience - don't care to comprehend
righteous talk - leading nowhere
to accept no apologies rightnow isn't it unfair
live your trendy life
don't tell me how to live mine
you don't know what it means to be true
you're just a waste of time
..... time after time
