## **Every Little Thing She Does Is Magic**

## **Sting**

Though I've tried before to tell her
Of the feelings I have for her in my heart
Every time that I come near her I just lose my nerve
As I've done from the startEvery little thing she does is magic
Everything she do just turns me on
Even though my life before was tragic
Now I know my love for her goes onDo I have to tell the story

Of a thousand rainy days since we first met It's a big enough umbrella

But it's always me that ends up getting wet. Every little thing she does is magic

Everything she do just turns me on

Even though my life before was tragic

Now I know my love for her goes on I resolved to call her up a thousand times a day.

And ask her if she'll marry me in some old fashioned way.

But my silent fears have gripped me long before I reach the phone

Long before my time has tripped me must I always be alone Every little thing she does is magic

Everything she do just turns me on

Even though my life before was tragic

Now I know my love for her goes on Every little thing she does is magic

Everything she do just turns me on

Even though my life before was tragic

Now I know my love for her goes onOh yeah oh yeah oh yeah

Every little thing, every little thing, every little thing, every little thing

Every little, every little, ever little, every little thing she does

Every little thing she does

Every little thing she does

Every little thing she doesBeo, beo, beo, beo, beo, beo, beo, beo

Beo, beo, beo, beo, beo, beo, beo Beo Every little thing

Every little thing

Every little thing

She do is

Magic, magic, magic

Magic, magic, magicHey oh yo oh

BeoAh

Thousand rainy days since we first met

It's a big enough umbrella, but it's always me that ends getting wet
