

The Green Manalishi (With the Two Pronged Crown)

Judas Priest

Now, when the day goes to sleep and the full moon looks
The night is so black that the darkness cooks
Ain't you come sneakin' around, makin' me do things I don't wanna do? I can't believe that you need my love
so bad
Oh it's creepin' around tryin' to drive me mad
Bustin' in on my dreams, makin' me see things I don't wanna see 'Cause you're the green manalishi with the
two prong crown
All my tryin' is up, all your bringin' is down
Takin' my love then slippin' away
Leavin' me here just tryin' to keep from followin' you
