

# No Ceiling

**Eddie Vedder**

Comes the morning  
When I can feel  
That there's nothing left to be concealed  
Moving on a scene surreal  
No, my heart will never, will never be far from here  
Sure as I am breathing  
Sure as I'm sad  
I'll keep this wisdom in my flesh  
I leave here believing more than I had  
And there's a reason I'll be, a reason I'll be back  
As I walk the hemisphere  
I got my wish to up and disappear  
I've been wounded, I've been healed  
Now for landing I've been, for landing I've been cleared  
Sure as I am breathing  
Sure as I'm sad  
I'll keep this wisdom in my flesh  
I leave here believing more than I had  
This love has got no ceiling
