

# Swimmers

## Raccoo-oo-oon

I was waiting for you  
I was standing around  
I was getting older  
I was going downIf you always get up late  
You'll never be on time  
If you always make it after work  
Ba ba da da da, after workOh, the day never comes  
And I stand up waiting onI saw you down there  
I know you were tired  
I saw you  
You looked like a swimmerAlright, alright  
I wanna be with you  
All of the time  
Why can't you satisfy?You look good  
But you sound better  
You were the best I hadIf you always get up late  
You're never gonna be on time  
If you always get up late  
You're never gonna be on time  
And that's a shame'Cause I like you  
I'll never see you
