

# God All by Yourself

**EBEN**

Mighty God, I Bless Your Name  
Holy One, I Worship You  
For You Are God All By Yourself  
You Are God All By Yourself  
Age To Age, You're Still The Same,  
All Creation  
Will Shout Your Name  
For You Are God All By Yourself  
You Are God All By Yourself  
For Who You Are, I Bless Your Name  
For You Are I Worship You  
You Are God All By Yourself  
Mighty God, I Bless Your Name  
Holy One, I Worship You  
For You Are God All By Yourself  
You Are God All By Yourself  
Age To Age, You're Still The Same,  
All Creation  
Will Shout Your Name  
For You Are God All By Yourself  
You Are God All By Yourself  
For Who You Are, I Bless Your Name  
For You Are I Worship You  
You Are God All By Yourself  
You Are God All By Yourself  
For Who You Are, I Bless Your Name  
For You Are I Worship You  
You Are God All By Yourself  
You Are God All By Yourself
