

# Believe In Love (Phat Philli Mix)

**Teddy Pendergrass**

Oh love I've waited all my life to find you  
I've searched for you in every dream  
And suddenly you reached out to me  
Oh love I remember when I first touched you  
I remember how my heart had wings  
To said upon  
Tell me what went wrong Oh love when you were just within my reach  
I was blind, to find my dreams of being free  
Oh love it's not too late for you and me  
There's still time, as long as we believe  
Believe in love I thought that I could live without you  
I really thought that I was strong  
But now you're gone  
I'm not half as strong  
Oh love I never knew how much I missed you  
I never knew I had to give to you  
To keep you near  
Now I need you here Oh love when you were just within my reach  
I was blind, to find my dreams of being free  
Oh love it's not too late for you and me  
There's still time, as long as we believe believe  
Believe in love
