

# Circle The Drain

Katy Perry

This is the last time, you say  
After the last you line you break  
It's not even a holiday  
Nothing to celebrate  
You give a hundred reasons why  
And say you're really gonna try  
If I had a nickel for every time  
I'd own the bank  
Thought that I was the exception  
I could rewrite your addiction  
You could've been the greatest  
But you'd rather get wasted  
You fall asleep during foreplay  
'Cause the pills you take are more your forte  
I'm not sticking around  
To watch you go down  
Wanna be your lover, not your fucking mother  
Can't be your savior, I don't have the power  
I'm not gonna stay and watch you circle the drain  
Watch you circle the drain, watch you circle the drain  
You say you have to write your rhymes  
Whatever helps you sleep at night  
You've become what you despise  
A stereotype  
You think you're so rock and roll  
But you're really just a joke  
Had the world in the palm of your hands  
But you fucking choked  
Should've been my teammate  
Could've changed your fate  
You say that you love me  
You won't remember in the morning  
You fall asleep during foreplay  
'Cause the pills you take are more your forte  
I'm not sticking around  
To watch you go down  
Wanna be your lover, not your fucking mother  
Can't be your savior, I don't have the power  
I'm not gonna stay and watch you circle the drain

Watch you circle the drain, watch you circle the drain  
You fall asleep during foreplay  
'Cause the pills you take are more your forte  
I'm not sticking around  
(I'm not sticking around)  
To watch you go down  
(I'm not sticking around)  
Wanna be your lover, not your fucking mother  
Can't be your savior, I don't have the power  
I'm not gonna stay and watch you circle the drain  
Watch you circle the drain, watch you circle the drain  
Watch you circle the drain, watch you circle the drain  
You're going down, you're going down  
You're going down, you're going down  
You fall asleep during foreplay  
'Cause the pills you take are more your forte  
I'm not sticking around to watch you go down
