

# Live Out Loud (Performance Track In Key of Bb-C)

## Steven Curtis Chapman

Imagine this, I get a phone call from Regis  
He says, "Do you want to be a millionaire?"  
They put me on the show and I win with two lifelines to spare  
Now picture this, I act like nothing ever happened  
And bury all the money in a coffee can Well, Ive been given more than Regis ever gave away  
I was a dead man who was called to come out of my grave  
And I think its time for makin some noise Wake the neighbors, get the word out  
Come on, crank up the music, climb a mountain and shout  
This is life weve been given, made to be lived out  
So la la la la, live out loud  
Live out loud, yeah Think about this, try to keep a bird from singing  
After its soared up in the sky  
Give the sun a cloudless day and tell it not to shine  
Now think about this, if we really have been given  
The gift of a life that will never end And if we have been filled with living hope were gonna overflow  
And if Gods love is burning in our hearts were gonna glow  
Theres just no way to keep it in Wake the neighbors, get the word out  
Come on, crank up the music, climb a mountain and shout  
This is life weve been given, made to be lived out  
So la la la la, live out loud  
Live out loud Everybody, come on  
La la la, la la la la, la la la, live out loud  
I want to hear everybody sing  
La la la, la la la la, la la la, live out loud, loud, loud Every corner of creation is a living declaration  
Come join the song we were made to sing Wake the neighbors, get the word out  
Come on, crank up the music, climb a mountain and shout  
This is life weve been given, made to be lived out  
So la la la la, live out loud  
Live out loud Wake the neighbors, get the word out  
Come on, crank up the music, climb a mountain and shout  
This is life weve been given, made to be lived out  
So la la la la, live out loud  
Live out loud La la la, la la la la, la la la, live out loud  
La la la, la la la la, la la la, live out loud  
La la la, la la la la, la la la, live out loud
