I Want To Know What Love Is

Paul Porter

I gotta take a little time
A little time to think things over
I better read between the lines
In case I need it when I'm older
Aaaah woah-ah-aahIn my life there's been heartache and pain
I don't know if I can face it again
Can't stop now, I've traveled so far
To change this lonely life
I wanna know what love is
I want you to show me
I wanna feel what love is
I know you can show me
Aaaah woah-oh-oohNow this mountain I must climb
Feels like a world upon my shoulders
And through the clouds I see love shine
It keeps me warm as life grows colderIn my life there's been heartache and pain
I don't know if I can face it again
Can't stop now, I've traveled so far
To change this lonely lifeI wanna know what love is
I want you to show me
I wanna feel what love is
I know you can show me(I wanna I'm gonna... know)
I wanna know what love is
(Do you really wanna know)
I want you to show me
I wanna feel what love is
(Ahhhh Oh ooooo O yeah)
I know you can show me
(yeaaaah eeeh yeahhh eh yeah)I wanna know what love is
(I gotta know x4)
I want you to show me
(Aaahhhhhhhh oooo ooooo)
I wanna feel what love is
(Lets talk about love)
I know you can show me
