

# I Want To Know What Love Is

Paul Porter

I gotta take a little time  
A little time to think things over  
I better read between the lines  
In case I need it when I'm older  
Aaaah woah-ah-aah In my life there's been heartache and pain  
I don't know if I can face it again  
Can't stop now, I've traveled so far  
To change this lonely life  
I wanna know what love is  
I want you to show me  
I wanna feel what love is  
I know you can show me  
Aaaah woah-oh-ooh Now this mountain I must climb  
Feels like a world upon my shoulders  
And through the clouds I see love shine  
It keeps me warm as life grows colder In my life there's been heartache and pain  
I don't know if I can face it again  
Can't stop now, I've traveled so far  
To change this lonely life I wanna know what love is  
I want you to show me  
I wanna feel what love is  
I know you can show me (I wanna I'm gonna... know)  
I wanna know what love is  
(Do you really wanna know)  
I want you to show me  
I wanna feel what love is  
(Ahhhh Oh ooooo O yeah)  
I know you can show me  
(yeaaaah eeoh yeahhh eh yeah) I wanna know what love is  
(I gotta know x4)  
I want you to show me  
(Aahhhhhhhh oooo ooooo)  
I wanna feel what love is  
(Lets talk about love)  
I know you can show me
